Drink date 2024 - 2034

PRODUCTION 750 ml / 5297 Bottles  
1500 ml / 60 Bottles

#### IDENTITY

*The SENTIDOS Tato is a classic barrel-aged red wine of the highest quality, which reflects the grapes, terroir and climate of the Algarve. An intense but balanced wine.*

#### TASTING NOTES

*Deep ruby colour. Lush black fruit with a touch of malt, cloves and smoke. Full-bodied, with round tannins in a balanced combination of wood and fruit. Long finish with delicate fruit and a touch of barrel toast.*

#### SERVICE & PAIRING

*Serve at 15 – 17°C. Decanting a few hours before drinking will open the full aromatic potential. Goes well with game, grilled meat and spicy foods.*

#### VINIFICATION & AGING

*Completely handmade, unfiltered and unfined. Grapes come from carefully tended vines with strong yield reduction. Strict manual selection. Temperature-controlled fermentation in steel tanks with manual push downs, long extraction on skins. Aged for twelve months in French oak barrels, 70% used, 30% new.*
